Apple reports fourth quarter results

iPhone revenue sets September quarter record

Services revenue reaches new all-time high

CUPERTINO, CALIFORNIA — Apple today announced financial results for its fiscal 2023 fourth quarter ended September 30, 2023. The Company posted quarterly revenue of \$89.5 billion, down 1 percent year over year, and quarterly earnings per diluted share of \$1.46, up 13 percent year over year.

“Today Apple is pleased to report a September quarter revenue record for iPhone and an all-time revenue record in Services,” said Tim Cook, Apple’s CEO. “We now have our strongest lineup of products ever heading into the holiday season, including the iPhone 15 lineup and our first carbon neutral Apple Watch models, a major milestone in our efforts to make all Apple products carbon neutral by 2030.”

“Our active installed base of devices has again reached a new all-time high across all products and all geographic segments, thanks to the strength of our ecosystem and unparalleled customer loyalty,” said Luca Maestri, Apple’s CFO. “During the September quarter, our business performance drove double digit EPS growth and we returned nearly \$25 billion to our shareholders, while continuing to invest in our long-term growth plans.”

Apple’s board of directors has declared a cash dividend of \$0.24 per share of the Company’s common stock. The dividend is payable on November 16, 2023 to shareholders of record as of the close of business on November 13, 2023.

Apple will provide live streaming of its Q4 2023 financial results conference call beginning at 2:00 p.m. PT on November 2, 2023 at [apple.com/investor/earnings-call](#). The webcast will be available for replay for approximately two weeks thereafter.

Apple periodically provides information for investors on its corporate website, [apple.com](#), and its investor relations website, [investor.apple.com](#). This includes press releases and other information about financial performance, reports filed or furnished with the SEC, information on corporate governance, and details related to its annual meeting of shareholders.

This press release contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include without limitation those about payment of the Company’s quarterly dividend and its environmental goals and initiatives. These statements involve risks and uncertainties, and actual results may differ materially from any future results expressed or implied by the forward-looking statements. Risks and uncertainties include without limitation: effects of global and regional economic conditions, including as a result of government policies, war, terrorism, natural disasters, and public health issues; risks relating to the design, manufacture, introduction, and transition of products and services in highly competitive and rapidly changing markets, including from reliance on third parties for components, technology, manufacturing, applications, and content; risks relating to information technology system failures, network disruptions, and failure to protect, loss of, or unauthorized access to, or release of, data; and effects of unfavorable legal proceedings, government investigations, and complex and changing laws and regulations. More information on these risks and other potential factors that could affect the Company’s business, reputation, results of operations, financial condition, and stock price is included in the Company’s filings with the SEC, including in the “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” sections of the Company’s most recently filed periodic reports on Form 10-K and Form 10-Q and subsequent filings. The Company assumes no obligation to update any forward-looking statements, which speak only as of the date they are made.

About Apple

Apple revolutionized personal technology with the introduction of the Macintosh in 1984. Today, Apple leads the world in innovation with iPhone, iPad, Mac, Apple Watch, and Apple TV. Apple’s five software platforms — iOS, iPadOS, macOS, watchOS, and tvOS — provide seamless experiences across all Apple devices and empower people with breakthrough services including the App Store, Apple Music, Apple Pay, and iCloud. Apple’s more than 100,000 employees are dedicated to making the best products on earth, and to leaving the world better than we found it.
